

Holy Presents by Humanish

Staging

Performed on a 240cm x 80cm table covered in black out material. Table position as close to black backdrop (curtains are preferable) as possible. 2 x black flats, one on each side of the table to bring the space in for comedy are preferable, especially if being performed on a larger stage. No off stage required. Black dance floor. Ideally the table will be around 3m from the front row of audience. Audience must be front on. The show is a humanette puppet sketch comedy, puppets are white with puppeteers dressed in all black so smaller space for comedy and warmer lights enhance the illusion of disappearing the puppeteers body.

Lighting

4 x parnells (minimum), warm gels for comedy or neutral, general wash lighting state with blackouts throughout. Full blackout capacity.

Sound live

3 x performers, dialaogue based comedy, microphones not required unless playing to audiences larger than 150

Sound recorded

PA system with volume control required for recorded sound playback via laptop.

Technical Staff

1 operator required for lights and sound

Schedule

Get in: 2hrs for positioning (30 mins) focusing (30 mins) and sound levels (50 mins)
